

**A SUMMER OF FUN
A LIFETIME OF MEMORIES**

Florida's OverNight *Adventure* Summer Camp since 1999

CAMP FRONTIER

Camp Frontier is an *OverNight Adventure Summer Camp* rooted in Judeo-Christian values, a love of country, and honor and respect for each other and God, our creator. While our programs, activities and policies are based upon decades of camp traditions, we strive to meet the ever-changing needs and challenges faced by today's youth.

"Camp is for the Camper" at Camp Frontier. We celebrate the uniqueness of our Campers as each contributes their own personality, talents, abilities, and interests to the camp community. Our Campers are surrounded by a caring staff who are dedicated to making their time at camp a safe, fun, nurturing experience filled with personal growth, and a life time of memories.

"The Camp For Good Kids"

While we applaud camps with programs for children with behavioral issues, ours is designed for those often overlooked children who are on track and possess age appropriate self control. We believe that they deserve a summer with other great kids.

There is no better experience for a child than OverNight Summer Camp. Children, from ages 7 to 17, enjoy a unique opportunity for adventure and personal growth.

The best Summer Camp Experience comes when the Camp meets the needs of each individual Camper. For this reason, Camp Frontier adapts our program for each of our four "Camper Groups" which are determined by age. Each Group has a many Summer Camp Programs from which to choose.

Working With Parents

Parents best know the needs of their child. If a parent feels that a Camper should be in a group other than the one assigned by age, please communicate with the office at the time of Registration. Please share with us, prior to arrival, any information which will help our Staff to make this a great summer.

Challenge and Rope Course

Come Challenge Yourself!

Our first class Challenge Course offers numerous opportunities for Campers to grow in skill, confidence and self-esteem as they accomplish each level and component of the course.

Under the guidance of patient, trained and experienced instructors, Campers work to master many elements that will test each participant's skills in a fun, encouraging and positive environment. The course incorporates a myriad of low ropes course elements that will foster the development of team work, communication and trust. For those seeking a serious challenge we offer our new middle rope course and high rope course elements ending with the zip line.

Campers wear protective headgear and harnesses at all times and are double-clipped to safety cables. Our Challenge Course is professionally inspected and certified.

Are you up for the Challenge?

Paintball Games and Target Range

Experienced enthusiasts and beginners

alike enjoy this popular activity which provides many opportunities for skill and confidence building. Under the watchful guidance of our staff, hours of play are available each day. In addition to team PaintBall games, there are also opportunities to shoot at targets (which don't shoot back). Campers can also learn to clean and assemble the PaintBall guns. Campers wear quality protective gear at all times while on the Course. All air, paintballs, guns and safety equipment are provided at no additional cost.

Horse Riding Lessons and Trail Rides

Campers who love horses will find several opportunities to ride and care for the many horses at Camp Frontier. Qualified riding instructors lead lessons in English and Western riding traditions. Through games and lessons, safety and fun are the priority as new riders learn the basics of horsemanship and advanced riders build upon existing skills. All campers have opportunities for lessons and may choose to go on trail rides winding through an 8,000 acre nature preserve.

WaterFront, River and Swimming Pool

3800 Acre Lake Pierce - Florida's Largest Summer Camp Lake

Camp Frontier is located along the shores of beautiful Lake Pierce where our Campers enjoy skiing, fishing, sailing, and canoeing.

Canoe Trips

In addition to the lake, Camp Frontier is located along side CatFish Creek which winds through the nature preserve for nine miles. For those who love to explore Florida's wilderness, our afternoon trips are great fun and adventure.

Swimming Pool

The swimming pool is open at many times throughout the day for free-swim, water-aerobics, water-volleyball, lessons and more."

Field Trips and Theme Parks

Trips To Florida's Theme Parks

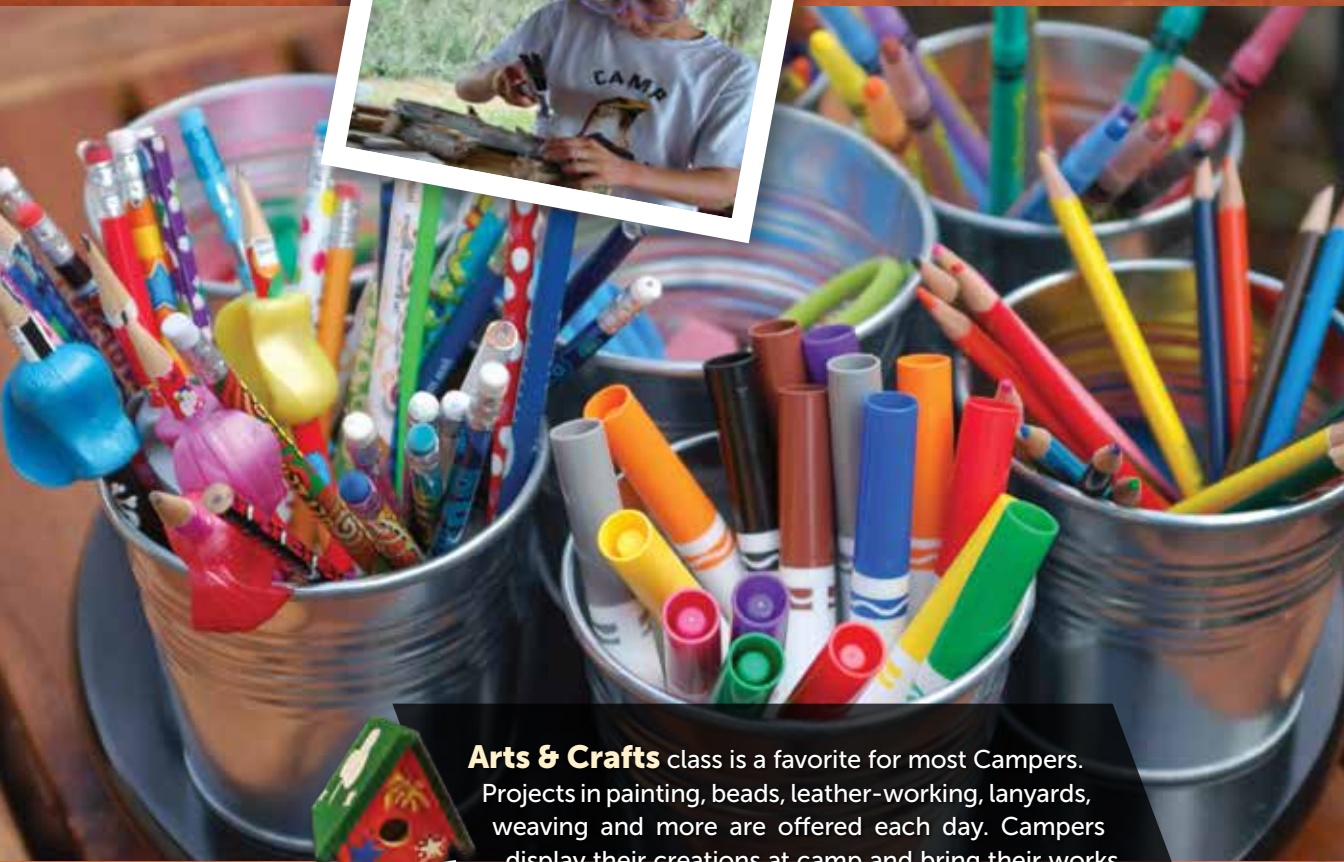

Many of Florida's best Theme Parks are within 60 minutes of Camp Frontier giving our Campers more time in the Park and more sleep when they return to Camp.

During each 3-week session, and certain 1 and 2-week sessions, and all Campers and Staff enjoy a day off-camp at one of Florida's finest theme parks. Some weeks have another off-camp field trip such as bowling or skating. Please see the Date and Tuition Schedule for this summer's field-trip option. Campers choose a ThemePark group based on the type of rides they enjoy.

Trailblazer, Explorer and Pioneer groups (ages 7 to 14) are accompanied by counselors. Adventurers enjoy theme parks in small groups with peers. There is **NO ADDITIONAL COST** for any of the FieldTrips and outings. All transportation, admission and food is included in the tuition of each program. Parents may choose to send additional spending money for souvenirs or the Bowling Alley Arcade.

Crafts, Cooking and Photography

Arts & Crafts class is a favorite for most Campers. Projects in painting, beads, leather-working, lanyards, weaving and more are offered each day. Campers display their creations at camp and bring their works of art home as great souvenirs.

WoodWorking class is a summer camp classic. Campers will learn the "old school" way with hand tools to create a birdhouse, picture frame or a toy.

Cooking is held most every day and often prepares the evening snack or treats for special events.

Those choosing **Photography and Video** will have their creations shared with those at camp and many online.

Performing Arts

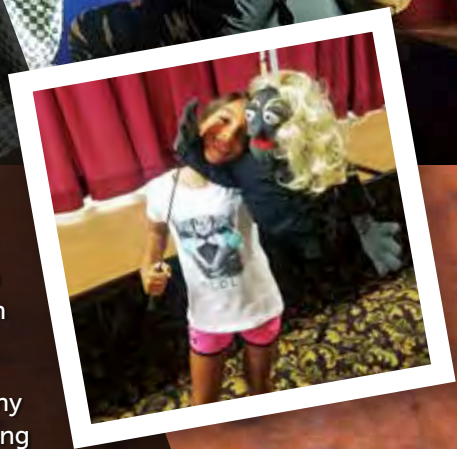

Camper's Got Talent

Many of our Camper and Staff love to perform! There are several Talent Shows, CampFire programs and other opportunities though out the summer where they can "share their talents" with the camp community.

Dance and Drama activities are held most ever activity day where Campers of all levels and abilities can develop their gifts. Campers enjoy a creative hands-on process under the direction of gifted and experienced Counselors.

Puppet Theater is a favorite of many Campers. Creating productions, rehearsing or writing puppetscripts, and staging productions are all part of the fun.

Keeping In Touch

How's My Camper Doing? Keeping in Touch While at Camp Frontier

Camper growth at an OverNight Camp comes, in part, from the independence experienced while being "Away at Summer Camp". Campers of every age, unplugged from electronics, away from regular school friends and the family back home, become a part of a Camp Community making new friends, relying on their Cabin Counselors, and growing in self-confidence. Continuous access to a telephone, email and social media, would prevent the personal growth unique to the OverNight Summer Camp experience and increase homesickness. However, we understand that Parents at home desire to stay informed of their Child's progress at Camp.

We have established the following practices and policies which allow parents to be informed of their child's progress and insure that Campers have the full benefits of the OverNight Summer Camp Experience.

Our Solution: TechTime

So that Campers can fully benefit from the "away at camp" experience, all electronics are collected as part of the check-in process and held in safe keeping until TechTime.

Twice each week, Campers will have their electronics returned to them so that they may contact home. The dates and times of TechTime will be included in the Camper Handbook and announced by email to the families of enrolled Campers. Campers not bringing electronics to camp will have access to a telephone.

Checking-Up via Text

Prior to arrival at Camp Frontier, parents will receive a text number with which they may contact a member of the Staff at any time. While we never put campers on the phone outside of TechTime, the Staff member will reply as soon as possible the Camper's progress.

Mail and E-mail

Campers love to get letters and packages. E-mail is printed in the late afternoon and distributed each day. Campers are encouraged to write letters and postcards.

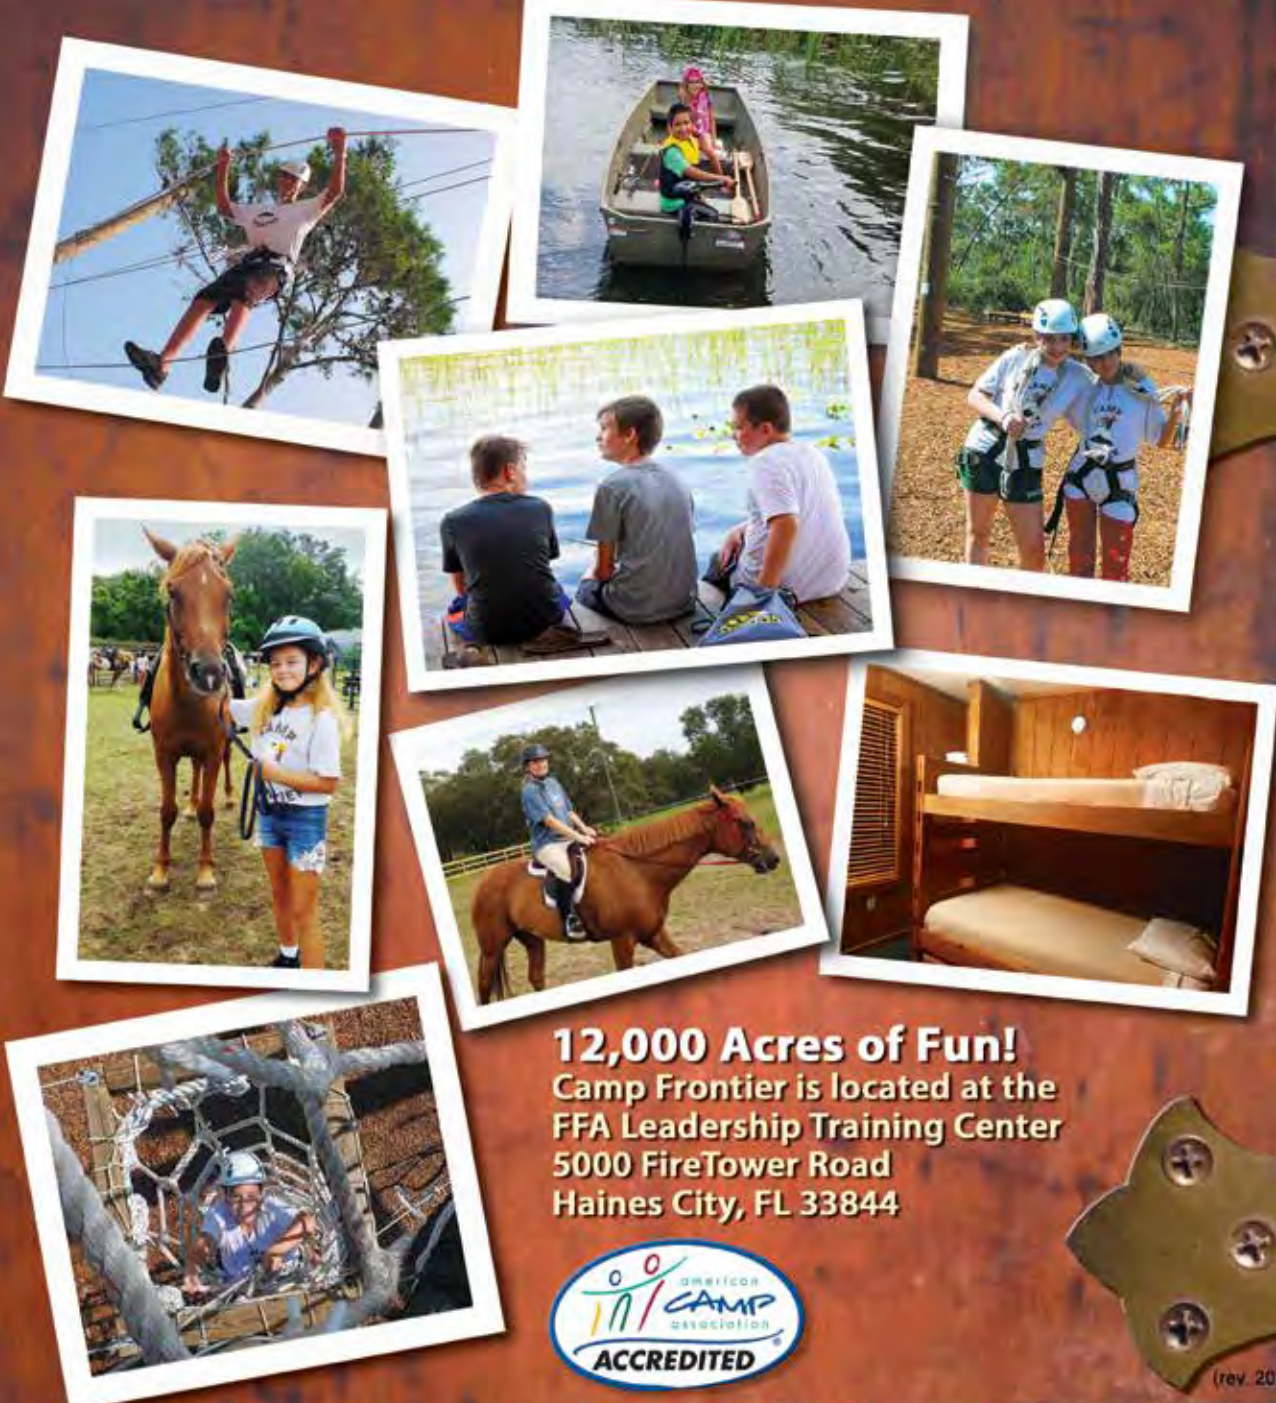

Please mail letters and packages only to:
Camp Frontier – (Camper's Name)
5000 FireTower Road, Haines City, FL 33844
Please DO NOT require a signature for delivery.

Send e-mail to Camper@CampFrontier.com with the Camper's name in the subject link.

Visitor's Day

There is a Visitor's Day scheduled each week. For the majority of our Camper's living too far for visitors, there are activities and games planned. The dates and time of the Visitor's Day will be included in the Camper Handbook and announced by email to the families of enrolled Campers.
